

# Warminster Camera Club 2018-19 Programme

## September 2018

### 04 Enrolment Evening

The camera club committee welcomes everybody back and invites new members to ask questions about the format of the club, competitions and of course cameras etc. Images from last year's exhibition will be on display; some club members will come with their cameras and laptops to show their latest work.

### 11 Street Photography

Peter Crane ARPS <https://www.petercrane.co.uk> is showing his digital images which are sometimes just about life or something candid he has seen on the street.

### 18 Search and Shoot

Members are invited to find images around Warminster following a list of themes/subjects which need to be adhered to. Cameras, tripods and bags of creativity having fun in the Streets of Warminster. Images shown on a members presentation evening later in the year. Themes to be announced on the evening. Alternative programme planned if wet.

### 25 WCPF Travelling Exhibition

Up to 95 prints, selected by the Western Counties Photographic Federation, are available to be viewed and discussed in small groups at the club.

## October 2018

### 02 What is Creative Photography?

Penny Piddock asks people to contribute by having a go at an image she sends in advance. No rules & just for fun. Not so much instructive as getting people to consider what makes a photograph 'creative'.
